### The Way of the Sword JC Lattès

Japan's most celebrated samurai, sword-saint Miyamoto Musashi, wasn't always an enlightened warrior-philosopher - for the path to greatness is filled with adversity and difficult life-decisions. Musashi wants to take on Yagyu Sekishusai, a man recognized by many to be the greatest living swordsman around. But Sekishusai is an ailing old man and Musashi is on the verge of killing him in his sleep. Will this act truly take Musashi further along the path to enlightenment by way of the sword?

*L'Œil Kero*

Eisner-award nominated creator Takehiko Inoue's critically acclaimed take on the life of Miyamoto Mushashi. Transcends the potential of what manga can be. Striving for enlightenment by way of the sword, Miyamoto Musashi is prepared to cut down anyone who stands in his way. Vagabond is an action-packed portrayal of the life and times of the quintessential warrior-philosopher--the most celebrated samurai of all time! Musashi takes on a different kind of opponent when he comes to the aid of a young orphaned boy and tries to defeat one of the fundamental elements of nature, water. This side journey takes him to the verge of discovering something that is perhaps even greater than becoming invincible.

**L'Express** Harper Collins

A l'âge de treize ans, Miyamoto Musashi tuait son premier adversaire et entamait ce qui allait devenir une longue série de duels légendaires. A l'aube de ses trente ans, il avait pris part à plus de soixante affrontements en ne déplorant aucune défaite. Au cours des trente années suivantes, il n'enleva plus la vie à quiconque et se contentait désormais d'éprouver ses talents en contrariant les offensives répétées de ses adversaires jusqu'à ce qu'ils reconnaissent son incontestable supériorité. C'est à cette période que le maître de sabre commença à ouvrir des horizons et explora les voies du bouddhisme zen. Musashi allait devenir une légende de son vivant et exposer sa philosophie ainsi que sa

pénétration dans le domaine de la stratégie dans son célèbre traité Gorin-no-sho (Le Livre des cinq roues), œuvre qu'il rédigea au crépuscule de sa vie. A partir d'authentiques sources japonaises, l'auteur, William Scott Wilson, brosse un portrait inoubliable de cet illustre personnage historique. Musashi, le samurai solitaire est la première biographie jamais publiée en français consacrée à ce maître de sabre et chercheur du XVIIe siècle aux multiples facettes et à la personnalité complexe, et dont l'héritage éprouve le temps et l'espace.

### The Way of the Living Sword Albin Michel

There is perhaps no more potent symbol of the samurai era than the sword. By the seventeenth century in Japan, the art of swordsmanship had begun to take on an almost cult-like popularity. Swordsmanship was more than a mastery of technique; it was a path toward self-mastery. The Swordsman's Handbook is the definitive collection of writings by men who saw the study of swordsmanship not only as essential to life and death, but as something that transcended life and death as well. Their teaching, that dealing with conflict is an art that requires grace and courage, speaks to us today with surprising immediacy and relevance. Included in this collection are writings by Kotada Yahei Toshitada, Takuan Soho, Yagyu Munenori, Miyamoto Musashi, Matsura Seizan, Issai Chozanshi, and Yamaoka Tesshu.

### Vagabond (VIZBIG Edition), Vol. 12 VIZ Media LLC

Equipped with the largest guns and heaviest armour and with the greatest displacement of any ship ever built, the Yamato proved to be a formidable opponent to the US Pacific Fleet in the Second World War. The book contains a full description of the design and construction of the battleship including wartime modifications, and a career history followed by a substantial pictorial section with rare onboard views of Yamato and her sister ship Musashi, a comprehensive portfolio of more than 1,020 perspective line artworks, 350 colour 3D views, and 30 photographs. The wreck of Musashi has been recently discovered to great excitement in Japan, renewing interest in these iconic warships. Janusz Skulski's anatomies of three renowned ships of the 20th century Japanese navy are among the most comprehensive of the Anatomy series with hundreds of meticulously researched drawings of the ships.

Since their first publication he has continued to research the ships and has now produce a more definitive anatomy than was possible then. He has teamed up with 3D artist Stefan Draminski who produces superb realistic renditions of the ships that bring a whole new level of detail to the portraits of the ships. This new editions is a genuine 'Super Anatomy' containing the most detailed renditions of these ships ever seen.

Some issues have separately numbered section: L'Oeil du décorateur.

Usagi Yojimbo Saga Volume 1 (Second Edition) Third Editions

Ce texte lumineux - connu aussi sous le titre Livre des cinq anneaux - donne l'essence des arts martiaux qui transcende la violence et devient art de vivre et d'agir. Une attitude qui explique les raisons des succès japonais dans de nombreux domaines. Pour le Bushi ou Samouraï, perdre c'est mourir... Mais la question est de savoir comment gagner par une action juste du point de vue de la tactique et de l'attitude. Le guerrier doit, par exemple, «faire perdre à l'adversaire son équilibre mental» ou encore «faire naître une certaine tension nerveuse en empêchant l'adversaire d'être sûr de lui». Musashi souligne l'importance «de neutraliser l'adversaire directement, sans le laisser souffler, en évitant de croiser son regard».

### Vagabond, Vol. 35 Simon and Schuster

How to Build Self-Discipline and Become More Successful (365 Powerful Thoughts From the World's Brightest Minds) Its lack makes you unable to achieve your goals. Without it, you'll struggle to lose weight, become fit, wake up early, work productively and save money. Not embracing it in your everyday life means that you'll never realize your full potential. Ignoring it inevitably leads to regret and feeling sad about how more successful and incredible your life could have been if you had only decided to develop it. What is this powerful thing? Self-discipline. And if there's one thing that self-discipline is not, it's instant. It takes months (if not years) to develop powerful self-control that will protect you from impulsive decisions, laziness, procrastination, and inaction. You need to exhibit self-discipline day in, day out, 365 days in a year. What if you had a companion

who would remind you daily to stay disciplined and persevere, even when the going gets tough? *365 Days With Self-Discipline* is a practical, accessible guidebook for embracing more self-discipline in your everyday life. You'll learn how to do this through 365 brief, daily insights from the world's brightest minds, expanded and commented upon by bestselling personal development author Martin Meadows. This isn't just an inspirational book; most of the entries deliver practical suggestions that you can immediately apply in your life to become more disciplined. Here are just some of the things you'll learn: - why living your life the hard way makes it easy (and other suggestions from a successful entrepreneur and longevity scientist); - how to overcome your initial resistance and procrastination based on the remark made by one of the most renowned Renaissance men; - why, according to an influential neurosurgeon, it's key to see problems as hurdles instead of obstacles (and how to do that); - how to embrace an experimental mindset to overcome a fear of failure (a technique recommended by a successful entrepreneur and musician); - how to quit in a smart way, according to a world-famous marketing expert; - how to improve your productivity at work by implementing the advice from one of the most successful detective fiction writers; - how a trick used by screenwriters can help you figure out the first step needed to get closer to your goals; - how to maintain self-discipline in the long-term by paying attention to what a bestselling non-fiction author calls necessary to survive and thrive; - how your most common thoughts can sabotage your efforts (and other valuable insights from one of the most respected Roman Stoics); and - how to overcome temporary discouragement and look at your problems from the proper perspective, as suggested by a well-known public speaker and author. If you're ready to finally change your life and embrace self-discipline — not only for the next 365 days, but for the rest of your life — buy this book now and together, let's work on your success! Keywords: self-discipline handbook, self-control book, willpower book, success journal, mental resilience, become successful, achieve your goals

**The Swordsman's Handbook** Vertical, Inc.

*Twelve Years a Slave* (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his

kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

[International Index to Film Periodicals](#) Toyo Press

Drawing on a large number of neglected original sources, *A Life in Arms* reveals how events deeply buried in Musashi's past set him on the hard path to success— a path that began with the brutal slaying of Arima Kihei, led to the fall of the illustrious Yoshioka clan, and culminated in his dramatic encounter with Sasaki Kojirō on Ganryū island.

[Miyamoto Musashi : Two Swords](#) Shambhala Publications

Japon, 1600. Musashi Miyamoto était le plus grand guerrier de tous les temps. Avant que lui et ses hommes ne soient vaincus lors de la bataille de Sekigahara qui a vu les Armées de l'Est renverser l'ancien pouvoir. Survivant mais seul, Musashi doute. Jusqu'alors, il avait vécu et combattu comme un samouraï, fier de sa tradition, loyal aux préceptes de la Voie. Depuis sa défaite, se soumettre aux exigences de l'Honneur, l'une des sept vertus du samouraï, signifie se donner la mort. Et Musashi veut vivre. Mais, considéré comme un ennemi de la nation, sa tête est mise à prix. S'il a renoncé à la violence, il lui faut se protéger et préparer sa vengeance contre ceux qui veulent sa mort. Pour cela, il n'a qu'un adage : « Le sabre donne la vie. Le sabre donne la mort. » Après le somptueux *Samouraï*, David Kirk livre une épopée captivante du Japon au XVIIe siècle et fait revivre une figure emblématique : le guerrier de légende Musashi Miyamoto, auteur du célèbre *Traité des Cinq Roues*. « Musashi est un personnage inoubliable et, avec ce roman, David Kirk est en passe de devenir un maître de la fiction historique. » Booklist

*Battleships Yamato and Musashi* Nouveau Monde Editions

Celebrate Stan Sakai's beloved rabbit ronin with the Second Edition collections of the comic saga featuring brand new original cover art by Stan Sakai! Follow Miyamoto Usagi in his epic trek along the warrior's path, beginning with over 600 pages of Usagi's essential adventures. In this first volume, Usagi protects a village from a band of assassins, reluctantly engages in a duel for blood

money, hunts a gangster who has stolen his swords, and more! Collects Usagi Yojimbo Volume 2 #1-#16 and Volume 3 #1-#6! *Le livre des cinq roues* VIZ Media LLC  
In "A Book of Five Rings," Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like "you must understand this" and "you must practice diligently" and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. It's value comes from reading between the lines—lines which speak volumes.

Honour, duty, vengeance... The way of the Samurai. A thrilling new adventure from a bold new voice in historical fiction, for fans of Conn Iggulden *Scholar. Warrior. Samurai*. His name was Bannosuke, son of the great Munisai Shinmen, known throughout the empire as one of the greatest warriors who ever lived. His destiny was to become a great warrior like his father - a Samurai, one of the most feared and respected in the world. But before fame comes action, and Bannosuke must prove himself on the battlefield before he can claim his inheritance. And in his way stands the vengeful Hayato, son of Lord Nakata, the face of the enemy, a man who is determined to kill Bannosuke. It is a battle between honour and vengeance, pride and reputation. And Bannosuke must look death in the eye before he can call himself a warrior. Before he can call himself Musashi, the greatest warrior of all time... 'A fascinating, exciting book, beautifully observed. Kirk creates characters of great depth. An absolute gem' Conn Iggulden 'Mr Kirk restores my faith in historical fiction to bring lost worlds to life. Bravo! The keenest and most vivid evocation of the inner life of the East since James Clavell's *Shogun*' Steven Pressfield, author of *Gates of Fire*

□□□□ Budo Editions

Translated from the Japanese by Charles E Terry.

365 Days With Self-Discipline Meadows Publishing

Budo, the way of the martial arts, is at heart a path of spiritual cultivation and self-realization whose aim is to develop a strategic mind that makes combat unnecessary. Kenji Tokitsu explains the philosophy of karate as budo and looks deeply at the key concepts that are essential for developing the budo mind in karate practice. These concepts are: • distance and timing, • rhythm, anticipation, and intuition, • and the cultivation of explosive but focused energy. These concepts are difficult to teach, but mastering them is the ultimate goal of any true martial artist. Tokitsu expertly guides the reader through these elusive ideas with clarity and a practical view.

**Livres hebdo** Simon and Schuster

This graphic novel version of *The Book of Five Rings*, the iconic book of confrontation and victory by the famed seventeenth-century duelist and undefeated samurai Miyamoto Musashi, illuminates this brilliant manifesto, which has long inspired martial artists and anyone interested in cultivating a strategic mind. With evocative drawings and a distilled but faithful text adapted by acclaimed manga writer Sean Michael Wilson, *The Book of Five Rings* comes alive both as a guide to swordsmanship and strategy, and as a view into Musashi's world.

*The Complete Musashi: The Book of Five Rings and Other Works* iUniverse

De Bombay à Tokyo en passant par Hong Kong, Pyongyang ou Jakarta, de Devdas à *In the Mood for Love*, ce premier Dictionnaire du cinéma asiatique rassemble les pièces

essentielles d'un colossal puzzle : cinéastes, grands studios, comédiens et films de toutes les époques et des quatre coins du continent. On croit connaître l'Asie et son cinéma, mais on ne cesse de découvrir de nouveaux pays, de nouveaux auteurs et même de nouveaux genres. L'Extrême-Orient est décidément une fontaine intarissable : depuis Yasujiro Ozu, Akira Kurosawa ou Satyajit Ray, on a vu apparaître pêle-mêle les visages de Bruce Lee, Takeshi Kitano, Gong Li, Shah Rukh Khan ou Aishwarya Rai... Et il existe encore tant de stars adulées, tant de réalisateurs mythiques dont la gloire n'a pas franchi nos méridiens ! Entre mélodrames coréens, kung-fu hongkongais, érotiques japonais, ballets révolutionnaires chinois, comédies musicales indiennes ou séries B philippines, l'Asie est un monde bien trop vaste pour se laisser cerner. Les auteurs invitent le lecteur à voyager à travers un fascinant labyrinthe oriental, à se perdre dans les rues de Bangkok ou dans les méandres d'un sari, pour dessiner son propre "cinéma asiatique". Adrien Gombeaud est journaliste et critique de cinéma. Il collabore au quotidien *Les Echos* et est membre du comité de rédaction de *Positif*. Diplômé de Langues O en chinois et en coréen, il est l'auteur de *Séoul Cinéma* (L'Harmattan, 2006) et *Tabac et cinéma* (Scope, 2008). Il a notamment participé aux ouvrages *Kim Ki-duk* (Dis-voir, 2006) et *In the Mood for Love* (La Transparence, 2006).
