internet, is missing!
Now Lily, Cooper, with
his Mohawk, and
Mindfield who writes
mystery novels are off
to find out just what
happened to Darius
Scottfield!

Any Man John Hunt
Publishing
The baffling true story
of Marcia
Moore—heiress,
astrologer, and yoga
master—who sacrificed
her well-to-do life to
study metaphysics and
experiment with a
mind-bending
psychedelic, until her

mysterious
disappearance in 1979.
On a bitterly cold night
in January of 1979, the
heiress to the Sheraton
Hotel fortune vanished
without a trace. This is
the true story of Marcia
Moore—daring author,
yoga teacher,
astrologer, and
occultist. She
experimented with the
psychotropic
anesthetic ketamine, in
the same vein as
Timothy Leary's
consciousness-
expanding research
with LSD. Her interest
in psychedelics has
only added to the wild
theories about Moore's
mysterious death in
the four decades since.
Psychics, astrologers,
and armchair sleuths
have all had their say.
Now it's time to set the
record straight. In
1980, famous true
crime author Ann Rule

referred to Marcia's disappearance as "probably the strangest case I have ever written about. One day, there may be answers." After years of painstaking research, this book reveals those answers about a case as multifaceted and intriguing as the woman who perished so tragically. This is the story of a bold woman, raised well-to-do and just a stone's throw from Walden Pond, who took the road less traveled—and paid for it with her life.

The Mysterious Disappearance of Leon (I Mean Noel)

Rigby

The story of the 1882 Palmer Sinai Expedition, a spying and terrorist mission that ended in the murder of its

participants and was one of the great cause célèbre of the nineteenth century. Just before sunset on August 8th 1882 HMS Cockatrice, a small paddle wheel gunboat, appeared off the Egyptian shore. A rowing boat was lowered down its side and slowly moved towards the beach. On its arrival, six men and a teenage boy alighted. Three of the group were British, all dressed as Arabs, two were Bedouin tribesmen, one a Jew and one a Syrian. The following morning, this mismatched party set off for the desert, taking with them two boxes of dynamite and £3,000 in gold coin. Five of them were never seen again. An historical 'who-done-it', an adventure story, a

history of the Anglo-Egyptian War and a biography of those involved in the controversy, /These Chivalrous Brothers/ explores the gulf between the Imperial ideal and reality and provides an insight into the character of the men who built the Empire. Through the biographies, it also throws light on such disparate topics as the early history of spying, spiritualism, female hysteria, biblical archaeology, various African uprisings, the Boer War and the hunt for 'Jack the Ripper'.

The disappearance of her husband is only the first of the myteries Mrs. Carillon must solve.

The Mystery of Mrs.
Christie Yearling

Claude Bruce is a barrister and an amateur detective who is caught unaware into the mysterious disappearance and the subsequent murder of Lady Dyke, his friend's wife. Together with White, in an amateurish Sherlock Holmes' fashion, Bruce must use his power of deduction to find the culprit. But unlike Sherlock, Bruce is fallible and makes some costly mistakes which results in a humorous but enjoyable murder mystery. The power of this novel lies in its expression and the layout of the puzzling case which has endeared this novel to the mystery lovers for generations!

**A Mysterious
Disappearance: A
Farce** Macmillan

New York Times bestselling author David Levithan takes young readers on a twisting journey through truth, reality, and fantasy and belief. Aidan disappeared for six days. Six agonizing days of searches and police and questions and constant vigils.

Then, just as suddenly as he vanished, Aidan reappears. Where has he been? The story he tells is simply. . . impossible. But it's the story Aidan is sticking to. His brother, Lucas, wants to believe him. But Lucas is aware of what other people, including their parents, are saying: that Aidan is making it all up to disguise the fact that he ran away. When the kids in school hear Aidan's story, they taunt him. But still Aidan clings to his

story. And as he becomes more of an outcast, Lucas becomes more and more concerned. Being on Aidan's side would mean believing in the impossible. But how can you believe in the impossible when everything and everybody is telling you not to?

The Mysterious Disappearance of Leon (I Mean Noel)

Knopf Books for Young Readers

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER!

"A stunning story... The ending is ingenious, and it's possible that Benedict has brought to life the most plausible explanation for why Christie disappeared for 11 days in 1926."—The Washington Post
The New York Times and

USA Today bestselling author of *The Only Woman in the Room* returns with a thrilling reconstruction of one of the most notorious events in literary history: Agatha Christie's mysterious 11-day disappearance in 1926. In December 1926, Agatha Christie goes missing. Investigators find her empty car on the edge of a deep, gloomy pond, the only clues some tire tracks nearby and a fur coat left in the car—strange for a frigid night. Her World War I veteran husband and her daughter have no knowledge of her whereabouts, and England unleashes an unprecedented manhunt to find the up-and-coming mystery author. Eleven days later, she

reappears, just as mysteriously as she disappeared, claiming amnesia and providing no explanations for her time away. The puzzle of those missing eleven days has persisted. With her trademark historical fiction exploration into the shadows of the past, acclaimed author Marie Benedict brings us into the world of Agatha Christie, imagining why such a brilliant woman would find herself at the center of such murky historical mysteries. What is real, and what is mystery? What role did her unfaithful husband play, and what was he not telling investigators? Agatha Christie novels have withstood the test of time, due in no small part to Christie's masterful storytelling

and clever mind that may never be matched, but Agatha Christie's untold history offers perhaps her greatest mystery of all. Fans of *The Secrets We Kept*, *The Lions of Fifth Avenue*, and *The Alice Network* will enjoy this riveting saga of literary history, suspense, and love gone wrong. Other Bestselling Historical Fiction from Marie Benedict: *Lady Clementine*, *The Only Woman in the Room*, *Carnegie's Maid*, *The Other Einstein*, *These Chivalrous Brothers*. Balboa Press DigiCat Publishing presents to you this special edition of "A Mysterious Disappearance" by Louis Tracy. DigiCat Publishing considers every written word to be a legacy of humankind. Every

DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

True Crime Addict

Macmillan

From the Newbery Award-winning author of *THE WESTING GAME*, more clever riddles and wordplay, clues to be found, and mysteries to be solved! Glub! Blub! Mrs. Caroline "Little Dumpling" Carillon isn't quite sure what to expect when she sets off to meet her husband, Leon. After all, she hasn't seen him since their wedding when she was five and he was seven.

But their reunion is cut short when a storm knocks him off their boat, and he disappears completely, leaving only one very waterlogged clue (Glub! Blub!). Will Dumpling be able to find Leon (or is it Noel) again? And just what is a glub blub?

The mysterious disappearance of Amelia Earhart Penguin
A Mysterious Disappearance: A Farce by George M. Baker is about a girl who poses as her brother's wife in a portrait of herself to a suitor. Suddenly, she disappears. Excerpt: "Nelly (throwing brush on the lounge). That will do for today. It's time Carlos were back from the post office. I am anxious to obtain a letter from my invisible adorer, Dixon Dolby.

How my good brother would open his eyes if he knew the extent of my wickedness. Three months ago, six of us girls at school, desirous of acquiring proficiency in correspondence, agreed to write to gentlemen whom we had never met, but whom we knew by reputation to be gentlemen."

If I Can't Have You

Random House Books for Young Readers
Caught up in the personal and political maelstrom between his domineering grandmother Catherine the Great and his highly neurotic and volatile father, Paul I, Alexander came to the throne as a result of a coup mounted against his father in March 1801. Alexander was devastated when the takeover turned violent

and his father was assassinated."

Any Man: A

Fictionalized Account

of a Mysterious

Disappearance is the

story of a mystery that

no one ever talked

about, just like they never spoke of Ella, the one who went missing... Doc Muroc is a quiet man living as a coal miner in Appalachia who only wants to provide for his family. One day, his oldest daughter, Ella, disappears without a trace. No one knew what happened to Ella. It's a mystery that was never solved. Or was it a crime that was never punished? More accurately, it is the story of a father's love as he searches for his missing daughter. It is a journey that he takes in the hope of bringing her back home. Any Man: A Fictionalized Account of a Mysterious Disappearance is the story of a man who will stop at nothing to find his missing daughter.

The Mysterious

Disappearance of the Chevalier

Valmont Arcade

Publishing

As seen on the Oxygen mini-series The Disappearance of Maura Murray When an eleven year old James Renner fell in love with Amy Mihaljevic, the missing girl seen on posters all over his neighborhood, it was the beginning of a lifelong obsession with true crime. That obsession leads James to a successful career as an investigative journalist. It also gave him PTSD. In 2011, James began researching the strange disappearance of Maura Murray, a UMass student who went missing after wrecking her car in rural New Hampshire in 2004. Over the course of his investigation, he

uncovers numerous important and shocking new clues about what may have happened to Maura, but also finds himself in increasingly dangerous situations with little regard for his own well-being. As his quest to find Maura deepens, the case starts taking a toll on his personal life, which begins to spiral out of control. The result is an absorbing dual investigation of the complicated story of the All-American girl who went missing and James's own equally complicated true crime addiction. James Renner's True Crime Addict is the story of his spellbinding investigation of the missing person's case of Maura Murray, which has taken on a life of its own for armchair

sleuths across the web. In the spirit of David Fincher's Zodiac, it is a fascinating look at a case that has eluded authorities and one man's obsessive quest for the answers.

A Mysterious Disappearance Xulon Press

"Jane Shore was born into a quiet life, the sickly and most easily overlooked daughter of a brood of eight boisterous Shore children. But Jane's tendency to fall ill and her natural penchant for devouring stories in her sickbed revealed a most extraordinary ability: the power to fully immerse herself inside a book, in mind and soul if not in body. By tethering her wrist to a suitable anchor in the real world and with the recitation of several key words, Jane

could spend hour upon hour in whichever literary plot stole her fancy. But such a power is an enticing thing, and that which tempts the desires of the masses is sure to bring overwhelming fame to its bearer. But where can someone so famous and recognizable escape for peace and solitude?"--Book fly leaf.

The Mysterious Disappearance of Helen St. Vincent e-artnow

Examines the mysterious disappearance of the world-famous woman pilot who was lost over the Pacific Ocean while on an historic round-the-world flight in 1937.
