Whether it's Dior's New Look, Yves Saint Laurent's Le Smoking jacket or Chanel's little black dress, the masters of French fashion understand that clothing is more than a craft: it's an art form. Megan Hess's love for French style sparked her career in fashion illustration. In these pages, she unspools the threads of ten legendary designers - Chanel, Dior, Saint Laurent, Lanvin, Givenchy, Chloé, Balmain, Louis Vuitton, Hermès and Celine - to discover the origins of haute couture, prêt-à-porter and everything chic. Introduced by Coco Chanel and made famous by Audrey Hepburn, the little black dress redefined how women dress and remains one of the most elegant and versatile pieces in any wardrobe. *Vogue* said it would become 'a sort of uniform for all women of taste' - a prophecy that has more than come true. Claire Wilcox has been a curator of fashion at the Victoria and

Albert Museum for most of her working life. In *Patch Work*, she turns her curator's eye to the fabric of life itself, tugging at the threads of memory: a cardigan worn by a child, a tin button box, the draping of a curtain, a pair of cycling shorts, a roll of lace, a pin hidden in a seam. Through these intimate and compelling close-ups, we see how the stories and the secrets of clothes measure out the passage of time, our gains and losses, and the way we use them to unravel and write our histories.

Claris: a Très Chic Activity Book Hardie Grant

The ultimate red carpet companion, *Beyond the Best Dressed* is an illustrated, personality-filled romp through more than 90 years of Oscar fashion, from the elegant to the absurd. From the show-stoppingly elegant (Halle Berry winning the award for *Monster's Ball* in a breathtaking Elie Saab) to the decidedly kooky (Adam Rippon in a formal harness), the Academy Awards Telecast is one of the few nights of the year devoted entirely to glamor (in all its forms). Even in the age of streaming, millions upon millions of people sit down at the same time, turn on their televisions, and watch celebrities strut down the red carpet (and, sure, win some awards). Now fans can relive the glamor, drama, and lasting legacy of some of the most influential outfits from more than ninety years of the Oscar in *Beyond the Best Dressed: A Cultural History of the Most Glamorous, Radical, and Scandalous Oscar Fashion*. In twenty-five essays, culture writer Esther Zuckerman romps through the iconic fashion choices that made history on the most elegant stage of all, and analyzes the cultural impact of wardrobe decisions both absurd and wonderful. Beginning with Hattie McDaniel's historic and trendsetting turquoise gown in 1940 (worn at a table segregated from her white agent), Zuckerman goes beyond the "best of" lists to shine a deserved spotlight on the truly unforgettable outfits—and deciphers what those outfits represented. *Beyond the Best Dressed* is a first-of-its-kind commemoration of Oscar fashion that perfectly captures the glitz and the glamor for anyone who has ever been to an Oscar watch party (or texted their friends while they watched alone). Fully illustrated with whimsical interpretations of the outfits—including Michelle Williams' golden Versace, Sharon Stone's iconic Gap t-shirt, and Rita Moreno's groundbreaking dress worn in both 1962 and 2018—this book is a joyful and vivid odyssey that doesn't stop at the hem of the dress, delving deeper into the cultural effect of these fashion flash points with research and original reporting.
