THOMAS TOWNSEND

The Children's Homer

Random House Books for
Young Readers

Gillian Cross's brilliant
retelling and Neil Packer's
glorious illustrations bring
to life Homer's Iliad, one

of the greatest stories
ever told. The team
behind The Odyssey
(2012) now tell the story
of the Trojan War. Cross's
vivid adaptation begins
with a beauty contest: the
prize, a golden apple. In
return for securing her
victory, the goddess
Aphrodite helps Prince

Paris abduct Helen, wife
to the king of Sparta.
Enraged, the king and his
Greek allies wage war on
the Trojans. Nine years
later, the fighting still
rages on, but the Greeks
are beginning to quarrel
among themselves -
Achilles and
Agamemnon's petty

argument has dire consequences for everyone caught in the crossfire. Neil Packer's pictures capture the beauty and remoteness of the setting, and bring a profound humanity to one of the finest literary achievements of Greek civilization.

The Iliad Anchor

In a companion volume to his award-winning adaptation of *The Odyssey*, the incomparable graphic novelist Gareth Hinds masterfully adapts Homer's classic wartime

epic. More than three thousand years ago, two armies faced each other in an epic battle that rewrote history and came to be known as the Trojan War. The *Iliad*, Homer's legendary account of this nine-year ordeal, is considered the greatest war story of all time and one of the most important works of Western literature. In this stunning graphic novel adaptation — a thoroughly researched and artfully rendered masterwork — renowned illustrator Gareth Hinds captures all

the grim glory of Homer's epic. Dynamic illustrations take readers directly to the plains of Troy, into the battle itself, and lay bare the complex emotions of the men, women, and gods whose struggles fueled the war and determined its outcome. This companion volume to Hinds's award-winning adaptation of *The Odyssey* features notes, maps, a cast of characters, and other tools to help readers understand all the action and drama of Homer's epic.

The Story of the Odyssey

Getty Publications

A major new translation of Homer's great epic poem that encapsulates the power of cunning over strength, the pitfalls of temptation and the importance of home.

Anthony Verity's rendering transmits the directness, power, and dignity of Homer's poetry in an elegant and accurate translation that respects the original line numbers. William Allan, an authority in classical Greek tragedy and epic, offers a full introduction

that guides the reader in understanding the composition of the poem, the major themes of the narrative, and situates the poem in its original cultural context. The line-by-line format of the translation is invaluable for those wishing to coordinate it with the Greek text or references in secondary literature. Extensive notes offer book-by-book summaries and elucidate difficult words and passages. The bibliography offers a succinct guide to further scholarship in English; a

full index of names enables the reader to trace particular characters through the text; map showing the known Greek world traversed by Odysseus between Troy and Ithaca.--Provided by the publisher.

Iliad and Odyssey

Laurel Leaf

Those who are able to read Homer in Greek have ample recourse to commentaries, but the vast majority who read the Iliad in translation have not been so well served—the many available translations

contain few, if any, notes. For these readers, Malcolm M. Willcock provides a line-by-line commentary that explains the many factual details, mythological allusions, and Homeric conventions that a student or general reader could not be expected to bring to an initial encounter with the Iliad. The notes, which always relate to particular lines in the text, have as their prime aim the simple, factual explanation of things the inexperienced reader would be unlikely to have

at his or her command (What is a hecatomb? Who is Atreus' son?). Second, they enhance an appreciation of the Iliad by illuminating epic style, Homer's methods of composition, the structure of the work, and the characterization of the major heroes. The "Homeric Question," concerning the origin and authorship of the Iliad, is also discussed. Professor Willcock's commentary is based on Richmond Lattimore's translation—regarded by many as the outstanding

translation of the present generation—but it may be used profitably with other versions as well. This clearly written commentary, which includes an excellent select bibliography, will make one of the touchstones of Western literature accessible to a wider audience. *The Iliad* Pan Macmillan One of the true cornerstones of Western literature comes to the Marvel Illustrated line! The ancient world is embroiled in a mighty clash of armies: Greek vs.

Trojan. Helen, the most beautiful woman in the world, has betrayed her husband - the Greek, Menelaus - and fled to Troy with Trojan prince, Paris. The Greeks have sailed to Troy to bring her back - and crush all that stand in their way! This is the first chapter in the saga that virtually defines the word epic. It is a tale of gods and men, heroism and betrayal. From the lips of Homer to the pages of Marvel Illustrated! Collects Marvel Illustrated: The Iliad #1-8. The Adventures of

Odysseus and the Tale of Troy The Floating Press Let's take a break from facts and enjoy a leisurely stroll in myths and fiction. The Iliad is Homer's masterpiece. It is a story of love, adventure and a little bit of magic by gods and goddesses. You can pretty much say that it's a reflection of the Greek culture made immemorial by magnificent writing. Curious? Then read this child-friendly book today! Homer's Iliad and Odyssey University of Chicago Press The epic journey of

Odysseus, the hero of Ancient Greece... After ten years of war, Odysseus turns his back on Troy and sets sail for home. But his voyage takes another ten years and he must face many dangers - Polyphemus the greedy one-eyed giant, Scylla the six-headed sea monster and even the wrath of the gods themselves - before he is reunited with his wife and son. Brilliantly retold by award-winning author, Geraldine McCaughrean. *The Iliad* Digireads.com Travel back to a mythical

time when Achilles, aided by the gods, waged war against the Trojans. And join Odysseus on his journey through murky waters, facing obstacles like the terrifying Scylla and whirring Charybdis, the beautiful enchantress Circe, and the land of the raging Cyclopes. Using narrative threads from *The Iliad* and *The Odyssey*, Padraic Colum weaves a stunning adventure with all the drama and power that Homer intended.

[The Topography of Troy, and Its Vicinity](#) Marvel

Comics Group
The Iliad and Odyssey, feature on every reading list, and are the world's oldest literature. Plato had great respect for Homer calling him -the teacher of all Greece-, and -the leader of Greek culture.- These stories, together with the other Greek myths hold a central place in the Western imagination. Master storyteller, and Newbery award winner, Padraig Colum and illustrator Willy Pogany have created a work that will educate and enchant. Available in

paperback (978-1-78139-489-2) and hardback (978-1-78139-488-5). *Olympians: Apollo* Gareth Hinds
 Illus. in full color. "An ancient history lesson emerges from this account of the way the Greeks tricked the Trojans and rescued Helen of Troy. The book is well tailored to younger readers with careful explanations and short sentences; a pronunciation guide is appended. Drawings portray the story's main

events. A nice supplement to units on ancient Greece or mythology."--Booklist.

The Usborne Illustrated Odyssey Oxford University Press

The Odyssey is literature's grandest evocation of every man's journey though life. The poem centers on the Greek hero Odysseus and his long journey home after the fall of Troy. It takes Odysseus ten years to reach Ithaca after the ten-year Trojan War.

Odysseus survives storm and shipwreck, the cave of the Cyclops and the isle

of Circe, the lure of the Sirens' song, and a trip to the Underworld, only to find his most difficult challenge at home, where treacherous suitors seek to steal his kingdom and his loyal wife, Penelope. The Odyssey is Homers' sequel to the Iliad.

Homer's Iliad - Ancient Greece Books for Teens | Children's Ancient History CreateSpace

Homer's epic poem The Odyssey is one of the greatest and most influential literary works ever produced. However, its complex language and

dense web of allusions and metaphors can be difficult for some readers to untangle. In The Story of the Odyssey, author Alfred John Church presents a more straightforward rendering of the events related in Homer's version. It's a great introduction to the poem for younger readers or those just starting to get acquainted with ancient Greek literature.

Homer and English metre, an essay on the translating of the Iliad and Odyssey, with a literal rendering of the

**first book of the
Odyssey, and
specimens of the Iliad**

Independently Published
In this new edition of The Odyssey, Home's classic tale has been vividly retold to delight modern readers. Dramatic illustrations bring to life Odysseus's encounters at sea, complete with furious gods, bewitching goddesses, terrifying monsters and a man-eating Cyclops.

The Odyssey Penguin UK
Born and raised in a Longford, Ireland workhouse, Padraic Colum

left home at seventeen to become a clerk in the Irish Railway Clearing House in Dublin. This venture was short-lived, however, and with the success of a few poems and a play, "The Saxon Shillin'," in 1904 he went on to pursue a career in writing. His success as a dramatist, poet, novelist, essayist, biographer, children's writer, and editor, as well as his participation in the founding of the Abbey Theatre, made Colum a central figure in the Irish literary renaissance. Colum wrote "The

Children's Homer" or "The Adventures of Odysseus and the Tale of Troy" in 1918 as a retelling of Homer's epic poems, the "Iliad" and the "Odyssey," intended for younger readers. It recounts the perilous adventures of Odysseus on his journey back from the war in Troy, including his encounter with the horrible Cyclops, the duplicitous Sirens, and the evil Circe. One of Colum's many successful children's novels, these stories will be enjoyed as much today as they were when they first appeared.

This edition is printed on premium acid-free paper and is wonderfully illustrated by Willy Pogany.

Iliad Illustrated National Geographic Books
The Iliad tells the story of the war between Greeks and Trojans; the love between Helena and Paris; and the Trojan Horse. The Odyssey depicts the perilous voyage home of the Greek warrior Odysseus. This title retells these classic Greek stories with a cartoon style, aiming to make them accessible

and fun for young children.

Black Ships Before Troy Paw Prints

Presents a collection of the world's most popular myths divided into such categories as creation, fertility and cultivation, gods and people, and visions of the end, and accompanied by historical information.

The Fate of Achilles

Sterling
Two armies fight to the death for nine long years, The Iliad is a tale of heroism, cunning and a battle waged in the name

of love - for the beautiful Helen. Can the Greeks overcome the Trojans and when will the gods next interfere and change the fate of the battling mortals?

The Double Axe Gareth Hinds

Retelling of the life and fate of Achilles in Homer's Iliad.

A Mother's List of Books for Children

University of Michigan Press

An account of the Trojan War as told by Menelaus to Telemachus. Grades 5-9.

 Unabridged (100% Original content)
 Illustrated About Iliad And Odyssey by Homer The Iliad (/ˈɪliəd/; Ancient Greek: Ἰλιάς Ilias, pronounced [i.li.əs] in Classical Attic; sometimes referred to as the Song of Ilium or Song of Ilium) is an ancient Greek epic

poem in dactylic hexameter, traditionally attributed to Homer. Set during the Trojan War, the ten-year siege of the city of Troy (Ilium) by a coalition of Greek states, it tells of the battles and events during the weeks of a quarrel between King Agamemnon and the warrior Achilles. The Odyssey (/ˈɒdəsi/; Greek: Ὀδύσσεια Odysseia, pronounced [o.dɔs.sej.ja] in Classical Attic) is one of two major ancient Greek

epic poems attributed to Homer. It is, in part, a sequel to the Iliad, the other work ascribed to Homer. The poem is fundamental to the modern Western canon, and is the second oldest extant work of Western literature, the Iliad being the oldest. Scholars believe it was composed near the end of the 8th century BC, somewhere in Ionia, the Greek coastal region of Anatolia.
