The Thief Lord St. Martin's Press
Meet Thea and her Bear in this unforgettable middle-grade adventure

from bestselling author Sarah Lean. At the Edge of the Haight Flatiron Books "Lars Eighner is the Thoreau of the Dumpsters. Comparisons to Defoe's Robinson Crusoe and Hamsun's Hunger leap to mind. A classic of down-and-out literature." —Phillip Lopate When Travels with Lizbeth was first published in 1993, it was proclaimed an instant classic. Lars Eighner's account of his descent into homelessness and his adventures on the streets has moved, charmed, and amused generations of readers. As Lars wrote, "When I began writing this account I was living under a shower curtain in a stand of bamboo in a public

park. I did not undertake to write about homelessness, but wrote what I knew, as an artist paints a still life, not because he is especially fond of fruit, but because the subject is readily at hand."

Containing the widely anthologized essay "On Dumpster Diving," *Travels with Lizbeth* is a beautifully written account of one man's experience of homelessness, a story of physical survival, and the triumph of the artistic spirit in the face of enormous adversity. In his unique voice—dry, disciplined, poignant, comic—Eighner celebrates the companionship of his dog, Lizbeth, and recounts their ongoing struggle to survive on the streets of Austin, Texas, and hitchhiking along the highways to Southern California and back.

Hero Harper Collins

"One Good Dog is a wonderful novel: a moving, tender, and brilliantly crafted story about two fighters—one a man, one a dog—hoping to leave the fight behind, who ultimately find their salvation in each other. Susan Wilson's clear and unflinching style is perfectly suited for her story that strips away the trappings and toys we all hide behind, and exposes our essential need to give and accept love in order to thrive."—Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* Adam March is a self-made "Master of the Universe." He has it all: the beautiful wife, the high-powered job, the glittering circle of friends. But there is a price to be paid for all these trappings, and the pressure is mounting—until the day Adam makes a

fatal mistake. His assistant leaves him a message with three words: your sister called. What no one knows is that Adam's sister has been missing for decades. That she represents the excruciatingly painful past he has left behind. And that her absence has secretly tormented him all these years. When his assistant brushes off his request for an explanation in favor of her more pressing personal call, Adam loses it. And all hell breaks loose. Adam is escorted from the building. He loses his job. He loses his wife. He loses the life he's worked so hard to achieve. He doesn't believe it is possible to sink any lower when he is assigned to work in a soup kitchen as a form of community service. But unbeknownst to Adam, this is where his life will intersect with

Chance. Chance is a mixed breed Pit Bull. He's been born and raised to fight and seldom leaves the dirty basement where he is kept between fights. But Chance is not a victim or a monster. It is Chance's unique spirit that helps him escape and puts him in the path of Adam. What transpires is the story of one man, one dog, and how they save each other—in ways they never could have expected.

My Dog Always Eats First Harper Collins Meet Mr Bones, the canine hero of Paul Auster's remarkable novel. Bones is the sidekick of Willy G. Christmas, a brilliant but troubled poet-saint from Brooklyn. Together they sally forth across America to Baltimore, Maryland, on one last great adventure, searching for Willy's old teacher, Bea Swanson. Years have

passed since Willy last saw his beloved mentor, who used to know him as William Gurevitch, son of Polish war refugees. But is Mrs Swanson still alive? And if not, what will prevent Willy from vanishing into that other world known as Timbuktu? 'In this brilliant novel, Auster writes with economy, precision and the quirky pathos of noir, addressing the pernicious ubiquity of American consumerism, the nature of love and the core riddles of ontology. Above all, though, this is the affecting tale of a special dog's place in the universe of humans and in the fleeting life of a special man.' Publishers Weekly *Paper Things* Farrar, Straus and Giroux (BYR)

Born a runt, Rascal is destined to be an underdog. Despite what looked like an

unbreakable bond with the daughter of the family who bred her, Rascal's devotion is discarded when the mother loses her job, forcing the family into a financial crisis. Bitter and resentful toward a dog they can no longer afford to keep and who was never really wanted, the family throws out the young dog like garbage. Driven out to the country and left roadside, Rascal has nothing but a few pieces of kibble to help her survive the night. Abandoned and alone, Rascal must learn to fend for herself and embark on a harsh and dangerous journey through wolf terrain in the mountain wilderness of Northern California. Along the way, she meets new families and strangers and is given many names. But will she ever settle with one family and one name? A Dog of

Many Names is a courageous story of survival, seen through the eyes of a scared and desperate dog who just wants to love, be loved, and be given one last name.

When forced to choose between staying with her guardian and being with her big brother, Ari chose her big brother.

There's just one problem—Gage doesn't actually have a place to live. When Ari's mother died four years ago, she had two final wishes: that Ari and her older brother, Gage, would stay together always, and that Ari would go to Carter, the middle school for gifted students. So when nineteen-year-old Gage decides he can no longer live with their bossy guardian, Janna, Ari knows she has to go with him. But it's been two months, and

Gage still hasn't found them an apartment. He and Ari have been "couch surfing," staying with Gage's friend in a tiny apartment, crashing with Gage's girlfriend and two roommates, and if necessary, sneaking into a juvenile shelter to escape the cold Maine nights. But all of this jumping around makes it hard for Ari to keep up with her schoolwork, never mind her friendships, and getting into Carter starts to seem impossible. Will Ari be forced to break one of her promises to Mama? Told in an open, authentic voice, this nuanced story of hiding in plain sight may have readers thinking about homelessness in a whole new way.

Travels with Lizbeth St. Martin's Press
PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times)

portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: *The New York Times* • ONE OF THE BEST BOOKS OF THE YEAR: *The Atlantic*, *The New York Times Book Review*, *Time*, *NPR*, *Library Journal* In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the

history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of

inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award
