MELENDEZ PONCE

Terrywood HarperCollins

A “eye-opening, gritty, and compelling” memoir by one of New York City’s last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her “ribald . . . memorable and highly relevant” (The Daily Beast) reflection is “both a eulogy and a paean to the freaks and misfits who have long given their souls to the city” (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and

crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it’s a “sharp, sweetly personal . . . fascinating and honest” narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

He's good for one thing and one thing only--and she wants it bad. Honey Carmichael has never had a decent orgasm, and she's out to change that with the one man in town known for his superior skill between the sheets. Blake Dempsey is happy to help Honey with her "problem" as long as she knows he's only interested in sex. His heart was broken when his high school girlfriend was killed in the car he was driving, and he has nothing to offer other than more orgasms than Honey can handle. Which is just fine with her--until fantastic orgasms aren't enough anymore for either of them and unexpected feelings turn hot sex into messy entanglement--and that most definitely wasn't in the plans. But you know what they say about plans.

Mumbai has been extensively photographed over the past century. Like New York, it is a city full of men and women with aspirations of making it big in life. Mumbai is also known as a dream factory because of the overwhelming presence of its film industry, one of biggest in the world. This book collects nearly three decades of work from Raghu Rai, one of India's foremost photojournalists. The pictures encompass life in all its manifestations from the high-rise skyscrapers to the gushing waves of the Arabian sea. It shows movement and activity that almost never ceases fairs and festivities, political demonstrations, films in the making, and the advertising and modelling scene. *Magnum Contact Sheets* Penguin Random House India Private Limited

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai. *Grapefruit* Random House

In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate

about cinema and the people associated with it.

The Last of the Live Nude Girls National Geographic Books

A smart and concise guide to staying together that draws on scientific findings, expert advice, and years in the marital trenches to explain why marriage is better for your health, your finances, your kids, and your happiness Like you, probably, Belinda Luscombe would rather have had her eyes put out than read a book about marriage; they all seemed full of advice that was obvious, useless, or bad. Plus they were boring. But after covering the relationship beat for Time magazine for ten years, she realized there was a surprisingly upbeat and little-known story to tell about the benefits of staying together for the long haul. Casting a witty, candid, and probing eye on the latest behavioral science, Luscombe has written a fresh and persuasive report on the state of our unions, how they've changed from the marriages of our parents' era, and what those changes mean for the happiness of this most intimate and important of our relationships. In Marriageology Luscombe examines the six major fault lines that can fracture contemporary marriages, also known as the F-words: familiarity, fighting, finances, family, fooling around, and finding help. She presents facts, debunks myths, and provides a fascinating mix of research, anecdotes, and wisdom from a wide range of approaches—from how properly dividing up chores can result in a better sex life to the benefits of fighting with your spouse (though not in the car) to whether or not to tell your partner that you lost \$70,000. (The last one is from firsthand experience.) Marriageology offers simple, actionable, maybe even borderline fun techniques and tips to try, whether the relationship in question is about to conk out or just needs a little grease and an oil change. The best news of all is that sticking together is easier than it looks. Praise for Marriageology "Drawn from what she learned covering the relationship beat for Time, Luscombe's how-not-to-split-up manual is witty and wise."—People "People are still getting married, and this book is here to help. . . . A warm and companionable volume . . . [Luscombe has a] wry touch, a gift for scene-setting, and an endearingly even temper."—The New Yorker "Few things are more important than the quality of our relationships—and especially the one we build with our life partners. Belinda Luscombe has written a smart and funny book to help anyone work toward a stronger and more fulfilling marriage."—Sheryl Sandberg, COO of Facebook and founder of LeanIn and OptionB

From Jane Austen to Taylor Swift, a look at the surprising politics of romantic love and its dissolution. Whatever the underlying motives - be they love, financial security, or mere masochism - the fact is that getting involved in a romantic partnership is emotionally, morally, and even politically fraught. In Hard To Do, Kelli María Korducki turns a Marxist lens on the relatively short history of romantic partnership, tracing how the socio-economic dynamics between men and women have transformed the ways women conceive of domestic partnership. With perceptive,

reported insights on the ways marriage and divorce are legislated, the rituals of twentieth-century courtship, and contemporary practices for calling it off, Korducki reveals that, for all women, choosing to end a relationship is a radical action with very limited cultural precedent.

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.
