"You know how, since the dawn of humanity, great philosophers and poets have dedicated their entire lives to exploring

concepts like love, life itself, logic, and sorrow? Well, those great philosophers and poets are dead now, so I win." — Shen Emotions Explained With Buff Dudes is your fully illustrated guide to the hyper-conflicted, tragicomic feelings of our age. Featuring

the resilient, shaggy-haired Shen, this debut collection of Owlurd Comix is a tale of triumph and survival — of getting your ass kicked by sleep deprivation and student loans, but never losing hope. Most of all, it's an amusing, instructive journey

through a vast array of emotions, including those best explained with dudes who are buff.
