"The Companion to Irish Traditional Music is not just the ideal reference for the interested enthusiast and session player, it also provides a unique resource for every library, school and home with an interest in the distinctive rituals, qualities and history of Irish traditional music and song."--BOOK JACKET.

Eaten by the Gods UNM Press
(Waltons Irish Music Books). The most comprehensive collection of Irish tenor banjo tunes currently available! Here are 50 jigs, reels and hornpipes arranged for two types of tuning; the standard CGDA used by Gerry O'Connor, and the traditional GDAE tuning used by David McNevin. The first 25 tunes are played by O'Connor, whose creative and individual style has earned him the reputation of being one of Ireland's finest banjo players. The remaining tunes are arranged and played by McNevin, an extremely skillful player in the traditional style, who has received major awards for his achievements on the banjo.

Essential Guide to Irish Flute and Tin Whistle Geoffrey Canavan
Relatively tiny Ireland (32,600 sq. miles) packs great attractions into a small area. You can pack a lot of diverse experiences into your trip with this book as your guide. Climb the cliffs. Kiss the blarney stone. Have a bowl of Irish stew and a pint of Guinness in a local pub. Pay homage to literary giants W. B. Yeats, James Joyce, or Frank McCourt. Play championship golf courses. Whether you're a book lover or a golf nut? a history buff or a Celtic music fan? a full-fledged adventurer or a laid-back sight-seer, you'll find plenty to enjoy in this guide that gives you the scoop on: Historic sights, including the 5,000 year old Newgrange Tomb, the burial mounds at Knowth, the storied Hill of Tara, ancient seat of the Irish high kings, and Glendalough, a monastic community founded in the sixth century Gorgeous natural wonders, including the sheer Cliffs of Moher and Slieve League cliffs; the rocky, wildflower-studded Burren; the beautiful Aran Islands; the wild landscape of Connemara; and more Cosmopolitan Dublin, hot-

and-happening Belfast, and intriguing medieval villages The Traditional Irish Musical Pub Crawl Strolling through Powerscourt Garden or touring the Waterford Crystal Factory Exploring Killarney National Park on horseback, on a bike, or on foot Driving the Ring of Kerry with its seascapes, cliffs, and spectacular mountain views or the Dingle Peninsula with its patchwork of farms, plus sandy beaches, craggy cliffs, and more seascapes Staying in an ancient but luxurious castle or a comfortable B & B overlooking a working dairy farm Dining on diverse cuisines, ranging from Italian to Mediterranean to fusion and from meat-and-potatoes to sushi; enjoying great pub food at a local haunt or feasting at a medieval banquet in an authentic castle Like every For Dummies travel guide, Ireland For Dummies, 5th Edition helps you make the most of your vacation. Using a rich array of ethnographic and archival data closely considering the Irish and the manner in which 'Irishness' was rendered inclusive, Multiculturalism's Double Bind demonstrates that multiculturalism can encourage cross-community political engagement in the global city. This book challenges the perceived wisdom that multiculturalism counteracts the opportunity for groups to move beyond their particularized constituency to build links and networks with other 'minority' groups.

Theoretically informed and empirically grounded this volume will appeal to scholars across a range of disciplines, including migration and ethnicity, social and cultural anthropology, Irish studies and sociology.

It is 1852. The Indian empire of Rajthana has ruled Europe for more than a hundred years. With their vast armies, steam-and-sorcery technology and mastery of the mysterious power of sattva, the Rajthanans appear invincible. But a bloody rebellion has broken out in a remote corner of the empire, in a poor and backward region known as England. At first Jack Casey, retired soldier, wants nothing to do with the uprising, but then he learns his daughter, Elizabeth, is due to be hanged for helping the rebels. The Rajthanans offer to spare

her, but only if Jack hunts down and captures his best friend and former army comrade, who is now a rebel leader. Jack is torn between saving his daughter and protecting his friend. And he struggles just to stay alive as the rebellion pushes England into all-out war.

The Music of Multicultural America explores the intersection of

performance, identity, and community in a wide range of musical expressions. Fifteen essays explore traditions that range from the Klezmer revival in New York, to Arab music in Detroit, to West Indian steelbands in Brooklyn, to Kathak music and dance in California, to Irish music in Boston, to powwows in the midwestern plains, to Hispanic and native musics of the Southwest borderlands. Many chapters demonstrate the processes involved in supporting, promoting, and reviving community music. Others highlight the ways in which such American institutions as city festivals or state and national folklife agencies come into play. Thirteen themes and processes outlined in the introduction unify the collection's fifteen case studies and suggest organizing frameworks for student projects. Due to the diversity of music profiled in the book-- Mexican mariachi, African American gospel, Asian West Coast jazz, women's punk, French-American Cajun, and Anglo-American sacred harp-- and to the methodology of fieldwork, ethnography, and academic activism described by the authors,

the book is perfect for courses in ethnomusicology, world music, anthropology, folklore, and American studies. Audio and visual materials that support each chapter are freely available on the ATMuse website, supported by the Archives of Traditional Music at Indiana University.

Deluxe Tinwhistle Songbook Hodder

An extremely well-written, thorough study into contemporary and traditional tinwhistle music and performance. Included are chapters on fundamentals, ornamentation and more. Includes an accompaniment CD

Perceptions of Change and Stability in the Transmission of Irish Traditional Music Mel Bay Publications

In many places around the world, flutes and the sounds of flutes are powerful magical forces for seduction and love, protection, vegetal and human fertility, birth and death, and other aspects of human and non-human behavior. This book explores the cultural significance of flutes, flute playing, and flute players from around the world as interpreted from folktales, myths, and other stories--

in a word, "flutelore." A scholarly yet readable study, *World Flutelore: Folktales, Myths, and Other Stories of Magical Flute Power* draws upon a range of sources in folklore, anthropology, ethnomusicology, and literary analysis.

Describing and interpreting many examples of flutes as they are found in mythology, poetry, lyrics, and other narrative and literary sources from around the world, veteran ethnomusicologist Dale Olsen seeks to determine what is singularly distinct or unique about flutes, flute playing, and flute players in a global context. He shows how and why world flutes are important for personal, communal, religious, spiritual, and secular expression and even, perhaps, existence. This is a book for students, scholars, and any reader interested in the cultural power of flutes.

The Chinese Fairy Book Chartwell Books

The fairy tales and legends of olden China have in common with the "Thousand and One Nights" an oriental glow and glitter of precious stones and gold and multicolored silks, an oriental wealth of

fantastic and supernatural action. And yet they strike an exotic note distinct in itself. The seventy-three stories here presented after original sources, embracing "Nursery Fairy Tales," "Legends of the Gods," "Tales of Saints and Magicians," "Nature and Animal Tales," "Ghost Stories," "Historic Fairy Tales," and "Literary Fairy Tales," probably represent the most comprehensive and varied collection of oriental fairy tales ever made available for American readers. There is no child who will not enjoy their novel color, their fantastic beauty, their infinite variety of subject.... It is the writer's hope that others may take as much pleasure in reading them as he did in their translation.

Lord of the Dance

Routledge
(Southern Music). This collection of songs were written and arranged for Sir James Galway as concert pieces by David Overton, his longtime arranger. They are all based to some extent on traditional Irish Melodies. The first three are contrasting tunes: "Spinning Song," the beautiful slow melody "She moved through the fair," and the more up-tempo "Star of the County

Down." These were so successful in the original flute and piano version, as printed here, that Overton was requested to write versions for strings and for orchestra, which were equally successful and have formed a regular part of Galway's concert repertoire.

"Badinereelerie" is more light-hearted work, first written for Sir James Galway in 1984. Since then, he has played it countless times as printed here, and in a version for flute and orchestra. The surprising mixture of Bach (and Handel and others) with reels and Irish traditional tunes, and even a few English traditional tunes thrown in for good measure, has delighted audiences all over the world. The piece's rousing conclusion includes an optional switch to penny whistle, a practice that Galway writes, "I have always taken advantage of."

The Companion to Irish Traditional Music Penny & Tin Whistle

Published for the first time in over a hundred years, Mildred Darby's "The House of Horrors" is her first-hand account of one of the world's most terrifying hauntings. Although written under the pen name of Andrew Merry, with the name of the castle changed from Leap to Kliman Castle and using pseudonyms in order to protect the identity of those involved, all of the incidents dramatized in her narrative are true, having occurred in the Darby's Leap Castle home. With sightings over the centuries of at least nineteen individual ghosts, accounts of the sounds of a phantom battle being heard to play

out upon the castle grounds, a banshee and the frighteningly hideous and oppressively foul-smelling Elemental; Leap Castle truly merits its longstanding reputation as "The most Haunted Castle in Ireland." In addition to Mildred Darby's original account, this new edition features a comprehensive Introduction providing relevant historical background as well as first-hand witness accounts attesting to the factual basis of Mildred Darby's account.

Leaving Springfield Mel Bay Publications

Why would a successful college basketball coach walk away from a lucrative job in America's most glamorous sport? The burned out Rus Bradburd, enamored with Ireland and its music, took a job coaching in the lowly Irish Super League, but was unprepared for what he found. Perplexed by the small town Tralee's Frosties Tigers--a cast of misfits and underachievers more concerned with their day jobs, Gaelic Football, and Guinness--he turned to traditional Irish music for

wisdom and solace. Paddy on the Hardwood is partly Rus Bradburd's story of his struggle to transform Tralee's Tigers. But it is also the tale of a man making peace with his own life and career. "No reader will come away from this irresistible, honest, and deeply human account without a profound appreciation for Ireland and the beguiling power of its people and culture. Paddy on the Hardwood is a basketball book, to be sure, but also one about questing and, ultimately, finding. And it's all the richer for how it engages things that seem distant from sports, but in the end aren't so unrelated at all."--

Alexander Wolff, Sports Illustrated senior writer and author of *Big Game, Small World: A Basketball Adventure* "Paddy on the Hardwood is hilarious, heartbreaking, and touching--I couldn't put it down. I'm an avid reader, and it's the best sports book I've read in a long while."--Jerry West

This book is a biography

of Richard Clarke Sommerville, an educator, amateur actor, and artist, whose life spanned the last quarter of the nineteenth century and six decades of the twentieth century. His dedication to the fine arts was not just a passing interest, but was central to his definition of the right way to live.

Education was the key to his positive attitude. He held definite views about what an education should do for the individual. His education within the home environment, his experiences within the educational settings of his day, and his ultimate acceptance of his own lot in life helped him, in part, to formulate these views. Many of his views are as timely today as they were then. His message is to all students from a very special teacher. Contents: 'The Jewel on the South Branch'; The Hampden-Sydney Years; The Restless Young Man; A Return to the Classroom; A Return to Virginia; 'As a Man Thinketh...'; The Professional and the Employee; 'Friend of the Student'; The Man and His Art; The Emeritus Years.
