### LEBLANC MARSHALL

Three Tales HMH

The old man Sage taught Maurice Farinet many things and one of them was the location of a secret vein of gold. After Sage died, Farinet began to make coins. Based on a true story, Ramuz tells an extraordinary tale of mountains and villages, of independence and the price of freedom.

**Écrits sur l'art** Arcade Publishing

Three Tales offers an excellent introduction to the work of one of the world's greatest novelists. A Simple Heart is set in the Normandy of Flaubert's childhood, while Saint Julian and Herodias draw on medieval myth and the biblical story of John the Baptist for their inspiration. Each of the tales invites comparison with one or other of Flaubert's novels, but they also reveal a fresh and distinctive side to the writers's genius. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

**Oeuvres complètes** Editions Gallimard

The crew of a French reconnaissance plane during WW1 consisted of just two men: a pilot and an observer. Two such men are Jean Herbillon and Claude Maury. Herbillon's dreams of glory as an air ace have been dashed after only a few months at the front; Maury suffers from a broken heart--his only hope is that his exploits as a pilot will win back his lost love. Together the two form one of the best crews in the air, fighting in the first aerial conflict in history--one in which a combatant can count his life expectancy in weeks. The pressure of war forges a strong bond between the two flyers, but can it survive the discovery that they are both in love with the same woman? Joseph Kessel's autobiographical novel is a staggering tale of courage, brotherhood and loss.

**The Mortgaged Heart** MHRA

The very first graphic storytelling collaboration between two masters of the medium, Alexandro Jodorowsky and Moebius.

**The Complete Works of Guy de Maupassant** UPNE

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Philip K. Dick won the prestigious Hugo Award for best novel of 1963 for "The Man In the High Castle", and in the last year of his life (1982), the film "Blade Runner" was made from his novel "Do Androids Dream of Electric Sheep". Here Vol. 3 of the late writer's collected work covers the years 1952-1955 and includes "Second Variety", "Foster, You're Dead", and "The Father-Thing" among many others.

**Livres hebdo** Editions Gallimard

La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française.

**Oeuvres complètes** Vintage

The unfinished memoir of a French soldier-philosopher. While describing bourgeois life in France before and after World War I, he ruminates on the futility of individual conscience in the face of evil.

**Les Livres disponibles** Humanoids Inc

Romans, pièces radiophoniques, et essais critiques d'un écrivain dont on pourrait dire qu'elle peint l'humanité avant qu'elle ne se diversifie et ne se constitue en hommes.

**Oeuvres complètes** Humanoids Inc

Salué comme un Attrape-cœurs moderne, le premier roman de Bret Easton Ellis, *Moins que zéro*, publié en 1983, lui a valu, à vingt ans, une consécration immédiate. Il est devenu le roman emblématique des années 1980, déclinant tous les thèmes qui continueront d'inspirer son oeuvre : le règne des apparences, l'hypocrisie, le nihilisme d'une époque consumériste, l'incommunicabilité entre les êtres, des vies factices et dépourvues de sens, dont la déréalisation suscite l'anesthésie et la violence. Portrait acide et cru d'une jeunesse désenchantée, *Moins que zéro* raconte les errances d'un jeune étudiant de la côte Est qui tente de dissiper son mal être dans la recherche incessante de tous les plaisirs, mais auquel ni le sexe, ni l'alcool, ni l'argent n'apportent le bonheur et la puissance escomptés. Les Lois de l'attraction raconte l'histoire de trois étudiants issus de cette même jeunesse dorée en mal d'elle-même, vaquant d'une dérive à l'autre et dont l'existence tragique se consume de rage et de désespoir, tout comme *American Psycho*, qui fit scandale aux Etats-Unis, par son tableau implacable d'une société américaine déshumanisée, ici incarnée par un jeune golden boy de Wall Street, obsédé par l'argent et la réussite, et serial killer performant le reste du temps. *Zombies*, évocation satirique d'un monde gangréné par le vice et la superficialité, *Glamorama*, qui reprend la même peinture désabusée de la faune branchée new-yorkaise, *Lunar Park*, où l'on retrouve les paradis artificiels et l'atmosphère violente et sulfureuse de ses précédents livres, ici restitués de manière plus autobiographique, enfin *Suite(s) impériale(s)*, prolongement de *Moins que zéro* qui marque aussi la fin d'un cycle, illustrent le génie romanesque d'un écrivain hors normes, au style précis, glacé et incisif. Son sens de l'observation, de la dérision, de la formule qui bouscule, son humour au vitriol, en font un des narrateurs les plus originaux et les plus puissants d'aujourd'hui.

**Yvette** Editions Gallimard

Get your A in gear! They're today's most popular study guides-with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes(TM) has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes'(TM) motto is Smarter, Better, Faster because: - They feature the most current ideas and themes, written by experts. - They're easier to understand, because the same people who use them have also written them. - The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

**The End of Kings** Knopf

"Essential reading for any serious beginning writer . . . illuminating." —San Francisco Chronicle Carson McCullers is renowned for her Southern Gothic fiction and for such modern classics as *The Member of the Wedding*. This collection includes an assortment of her earliest work, written mostly before she was nineteen. Included are stories, essays, articles, poems, and writing about writing—including the working outline of "The Mute," which would become her bestselling novel *The Heart is a Lonely Hunter*—as well as an introduction by Joyce Carol Oates. As new generations

continue to discover the work of Carson McCullers, this volume provides both an enjoyable read and an inspiring look at the beginning of a brilliant literary career.

*Notes sur le rire* Citadel Press

Réunit les textes (préfaces, articles, allocutions) consacrés à l'art qu'André Malraux (1901-1976) a publiés de 1955 à 1976.

*The Poems of François Villon* Oxford University Press

This book shows how the model of singing poets becomes then an organizing principle for a system of national popular music. It responds to the growing call for the teaching of the textual networks of popular music within the domains of literary and cultural studies.

**The Crew** Spark Notes

Collects the first three issues with an all-new epilogue.

*Cursed Pirate Girl* Wentworth Press

This bilingual edition of the 15th-century poet's work incorporates recent scholarship.

*The Eyes of the Cat* University of Notre Dame Press

Voici rééditée pour la 4ème fois cette seule édition intégrale commentée de l'ensemble des 201 contes des frères Grimm auxquels sont joints les 28 textes qu'ils ont supprimés dans la dernière mouture de leur recueil, et 10 légendes pour les enfants. Nous l'avons cette fois réédité en 1 volume de 1175 pages. Extrait de la presse unanime et élogieuse à la sortie du livre en 2009. Enfin paraît en France la première édition intégrale des 239 contes collectés par les frères Grimm, y compris les censurés, y compris les retranchés. Cette édition est indispensable à tous ceux qui aiment les livres. (...) Il y a au fond du conte, continuant de rêver, en état de rébellion à l'état pur, en état de splendeur à l'état pur, un jadis animal aussi intraitable que l'enfant incorrigible. Pascal Quignard, *Le Monde des livres* Les contes des Grimm doivent leur magie à la souffrance qui les fixe et la liberté qui les porte. (...) La plupart des auteurs feraient de cet enfer des machines moralistes, des manuels édifiants, ou, pire encore, des romans psychologiques. Ici, rien de tel. Lire est un acte libre.

L'imagination est l'action : elle va vite, comme une vie courte réduite à l'essentiel. Philippe Lançon, *Libération* Classées au patrimoine mondial de l'Unesco, les 239 histoires recueillies par les frères Grimm, " vivent encore aujourd'hui ", comme on dit de leurs héros. Cette nouvelle traduction leur rend fraîcheur et rugosité. Isabelle Rüf, *Le temps* Soit donc deux beaux volumes, copieusement annotés et soigneusement illustrés (...). Postface, notes copieuses, index précis : l'appareil critique est sans faille, mais jamais pesant - libre au lecteur de choisir de l'oublier ou d'en faire son miel. Nathalie Crom, *Télérama*

**Livres d'étrennes** Pushkin Collection

Hired to work for Quizmaster Verrick, the man in charge of the strange game in which the ruler of the Universe is selected, Ted Bentley is unaware that Leon Cartwright, the man destined to take

over Verrick's job, is targeted for assassination or that Verrick is plotting to resume control of a not-so-random universe. Reprint. 10,000 first printing.

*Lieutenant-colonel de Maumort* BookRix

In *Montaigne: Life without Law*, originally published in French in 2014 and now translated for the first time into English by Paul Seaton, Pierre Manent provides a careful reading of Montaigne's three-volume work *Essays*. Although Montaigne's writings resist easy analysis, Manent finds in them a subtle unity, and demonstrates the philosophical depth of Montaigne's reflections and the distinctive, even radical, character of his central ideas. To show Montaigne's unique contribution to modern philosophy, Manent compares his work to other modern thinkers, including Machiavelli, Hobbes, Pascal, and Rousseau. What does human life look like without the imposing presence of the state? asks Manent. In raising this question about Montaigne's *Essays*, Manent poses a question of great relevance to our contemporary situation. He argues that Montaigne's philosophical reflections focused on what he famously called *la condition humaine*, the human condition. Manent tracks Montaigne's development of this fundamental concept, focusing especially on his reworking of pagan and Christian understandings of virtue and pleasure, disputation and death. Bringing new form and content together, a new form of thinking and living is presented by Montaigne's *Essays*, a new model of a thoughtful life from one of the unsung founders of modernity. Throughout, Manent suggests alternatives and criticisms, some by way of contrasts with other thinkers, some in his own name. This is philosophical engagement at a very high level. In showing the unity of Montaigne's work, Manent's study will appeal especially to students and scholars of political theory, the history of modern philosophy, modern literature, and the origins of modernity.

*Œuvres poétiques complètes* University of Chicago Press

Yvette is the daughter of a courtesan who serves men of wealth and status. She seems to be oblivious of how her mother makes money and why they are always in the presence of princes, dukes and barons. Only when she goes away to a holiday at the river, she realizes that the Baron Saval is engaging her mother in such activities and she suddenly feels dirty. She wants to get away from her fate and so tries to inveigle her mother into the idea of living as honest women. However, the Marquise refuses, and explains that they would never be able to survive as working women. That their life of luxury would be so horrifically reduced. Yvette seems to suddenly have no choice. She must kill herself. Through chloroform. So, she goes from pharmacist to pharmacist and collects small vials of it and eventually has a sufficient amount. Before she commits the act, she runs around the town with her mother's guests, making them silly things such as pretending to go to war, riding children's horses, making army noises. Instead of killing herself through chloroform, she accidentally induces a psychedelic trip, and she decides not to kill herself, but keeps on inducing trips instead. It was greatly described, the way she was so resolute on dying, and how quickly she changed her mind to just get high.
