DSST stands for DANTE'S Subject Standardized Tests. They are credit-by-examination tests intended for students to demonstrate proficiency in an area of study normally taught at a college. The MIS DSST exam covers topics that would typically be taught in an undergraduate computer course, with questions being delivered in computerized multiple-choice format. Topics covered include:>Evolutionary historyTerminologyHardware and componentsHardware devices>History and evolution software and programmingTerminologySoftware types>TerminologyThe enterprise and the strategic importanceComponents of networks and telecommunicationsNetwork securityTopology and protocols>E-Commerce (Electronic Commerce)Different types of information systemsEnterprise resource planning>Characteristics of a systemSystems architecture and methodologiesSystems Development Life Cycle (SDLC)>Data models and structuresDatabase management systems (DBMS)Data query>Knowledge management (KM)Data mining and warehousingData mining>Organization of MISRelationship of MIS to the enterpriseValue of the MIS function>Security (Data confidentiality)Hidden cost EthicsPrivacy (Data confidentiality)Global issuesWe give you

knowledge information relevant to the exam specifications. To be able to succeed in the real exam, you'll need to apply your earned knowledge to the question scenarios. Many of the exam questions are written to be less straight forward. They tend to be framed within the context of short scenarios. The exam is not too difficult. However, coverage is very comprehensive - a wide range of topics are presented in the official topic lists. The exam does not ask you to answer hundreds of questions. In other words, only a small fraction of the official topics will be presented. This ExamFOCUS book focuses on the more difficult topics that will likely make a difference in exam results. The book is NOT intended to guide you through every single official topic. You should therefore use this book together with other reference books for the best possible preparation outcome. We are not affiliated with nor endorsed by the DANTE'S brand.
