"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands." -- Sadhguru 'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer--to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known. [Susanna's Seven Husbands](#) Andrews McMeel Publishing
